# *Embalmer and Apprentice Embalmer*

## **Embalmer and Apprentice Embalmer Requirements for Licensure/Registration**

**A**n **embalmer** is an individual who (1) disinfects or preserves dead human bodies by the injection or external application of antiseptics, disinfectants, or preservative fluids; (2) prepares human bodies for transportation in cases where death was caused by contagious or infectious diseases; and (3) uses dermasurgery or plastic art for restoring mutilated features. An **apprentice embalmer** is an individual who is studying embalming under the instruction and supervision of an individual with at least two years' practical experience as a California-licensed embalmer.

To be *eligible* for licensure as an **embalmer**, you must meet the following requirements:

- Be 18 or older.
- Be a high school graduate (or equivalent) or have practiced as a licensed embalmer *in another state or country* for a minimum of three years within the last seven years. The license must never have been suspended or revoked for unethical conduct.
- Have committed no acts or crimes constituting grounds for denial of licensure under Section 480 of the Business and Professions Code.
- Have successfully completed a course of instruction of not less than one academic year in an embalming school approved by the Cemetery and Funeral Bureau and accredited by the American Board of Funeral Service Education.
- Have completed at least two years of apprenticeship in a licensed California funeral establishment under the supervision of a licensed embalmer and have assisted in embalming not fewer than 100 human remains. The establishment must have been approved for the training of apprentices by the Cemetery & Funeral Bureau, and the supervising embalmer must have had at least two years of practical experience as a California-licensed embalmer.

**Note:** A person who has practiced as a licensed embalmer *in another state or country* for a minimum of three years within the last seven years and whose license has never been suspended or revoked for unethical conduct is NOT required to serve an apprenticeship in California.

To *apply* for licensure as an **embalmer**, you must:

- Submit proof of completion of high school or of practice as a licensed embalmer *in another state or country* for the required period.
- Submit two fingerprint cards, along with a fingerprint processing fee of \$56 (unless fingerprints are already on file).
- Submit a completed application form and a filing fee of \$150 to the Cemetery and Funeral Bureau, P.O. Box 989003, West Sacramento, CA 95798-9003.

Before you can be *licensed* as an **embalmer**, you must take and pass the Embalmer examination administered by the Cemetery and Funeral Bureau. The license term is one year, the renewal fee is \$100, and the late fee is \$50.

To be *eligible* for registration as an **apprentice embalmer**, you must meet the following requirements:
